#### **Greetings St. Thomas Aquinas Community,**

Let's get wheeling! STA will be participating in the annual **Bike to School Week** which rolls in from **June 2 to 6, 2025**. Bike to School Week provides an opportunity for students to try riding a bike to school for the first time, learn new skills, connect with others, or have fun exploring the neighbourhood and nature. If you are able to, remember you can bike, rollerblade or scooter your way to school! Please see the attached newsletter from the YCDSB Active School Travel for important Bike Safety Tips and Benefits. [Bike to School Week](#)

**Earth Rangers Presentation:** On June 13, 2025 STA welcomes the Earth Rangers Centre presentation titled "Earth Rangers: The Kids Conservation Organization". The interactive presentation for Grades 1 through 6 will be held in the school gym. Through the power of live animal demonstrations and positive, science-based information, the presentation will educate students about the threats facing animals and the environment, highlight real conservation initiatives across Canada, and motivate our students to want to get involved. Please see attached for further information. [Earth Rangers Presentation](#)

**School Dress Code:** A reminder that students are to be in the proper school dress code. For more information regarding our school dress code please visit our school website at [STA Dress Code](#). It is strongly recommended that students not wear flip flops, slides or crocs to school as these can pose a safety concern when students are playing outside at recess or in the school. Running shoes are recommended. Thank you for your continued support in ensuring students are in proper school dress code.
