Greetings St. Thomas Aquinas Community,

Welcome to the Month of June! The weather ahead is forecasted to be warming up. Classes will be enjoying more time outdoors over the next few weeks. Please continue to send your child(ren) with a reusable water bottle and hat. As we near the end of the school year, there are many important events and celebrations happening throughout the month. Please continue to access our school website for up to date information, calendar events and school news (<https://sta.ycdsb.ca/>). In addition, you may wish to follow the school instagram account, <https://www.instagram.com/stthomasces/> for up to date information and upcoming events occurring at the school.

This week STA is participating in the annual **Bike to School Week**. Bike to School Week provides an opportunity, if students are able, to bike, rollerblade or scooter their way to school! Students can log their participation in Bike to School Week in the tracking log found in their classroom for a chance to win some prizes. Please see the attached newsletter from the YCDSB Active School Travel for important Bike Safety Tips and Benefits. [Bike to School Week](#)

Junior Girls & Boys Soccer Tournament: The JR Girls and Boys Soccer Teams will be participating in a tournament on June 5 at The ROC. We wish both teams the best of luck as they compete and show their true STA Spirit.

School Dress Code: A reminder that students are to be in the proper school dress code. For more information regarding our school dress code please visit our school website at [STA Dress Code](#). It is strongly recommended that students not wear flip flops, slides or crocs to school as these can pose a safety concern when students are playing outside at recess or in the school. Running shoes are recommended. Thank you for your continued support in ensuring students are in proper school dress code.
